#### Li-ion Motors - Apologize note from Blyon site to LMCO

Li-ion Motors - Apologize note from Blyon site to LMCO  
I, Barrett Lyon owner of www.blyon.com, here apologize for my false statements against Li-ion Motors Corp.

I am here to announce that I am writing this note by getting legal notice from the said Corporation Li-ion Motors, under Defamation Act, 1991, USA. I am publicly announcing that statements made by me on my website www.blyon.com against Li-ion Motors Corp. are false, untrue and fictitious.

I also admit that I made all the statements against Li-ion Motors Corporation by the order of their competitors and I was paid for the work I did. I have also declared in Papers, Media and Online resources that all the images, user posts and other content is fake and false.

I extremely apologize for misguiding people about the company.

My hosting providers has closed down the FTP of my website. Letter has already been sent to Google for the removal of my website from search results.

Regards,  
Barrett Lyon,
